Dear HKPU members,

Re: Pre-order for the 'SmartMove' exercise mattress

HKPU is now offering a pre-order for the 'SmartMove' exercise mattress, detailed as attached leaflet. At this stage, we would like to estimate the demand of the mattress. The price of the mattress is HKD 125 per sheet (not including delivery fee). If you have interest in ordering the mattress, please reply this mail for the number needed and the address for delivery.

HKPU will not warrant the supply of the 'Smartmove' mattress if the total number of demand is not feasible for an order from the manufacturer. We will announce more details later for order that are successful.

For enquiry, please contacted Penuel Ng 67401880.

Best Regards
Hong Kong Physiotherapists' Union
